

# 12Core Colored Pigtail

## Applications

- Fiber optical network
- Test equipment
- CATV
- Field cable connection

## Features

- High return loss, low insertion loss
- High reliability and stability
- High quality Zirconia ceramic ferrules
- Stable interchangeability and repeatability
- Excellent end face geometrical performance

## Specifications

Parameters		Unit	SC,FC, DIN
Insertion Loss (dB)	Max	dB	0.25
Return Loss (dB)	Min	dB	PC 50dB APC 60dB
Repeatability (dB)	Max	dB	0.1
Durability			> 1000 times
Operating Temperature		°C	-40~+85
Fiber Type			G657A1
Tube			Colored 0.9mm PVC or LSZH
Length		mm	1000 +/-50 or customized
